

Get your inventory count on your phone

Send the SBT Inventory PDF from the handheld to your phone in under a minute with Quick Share. Keep your own audit of every count.

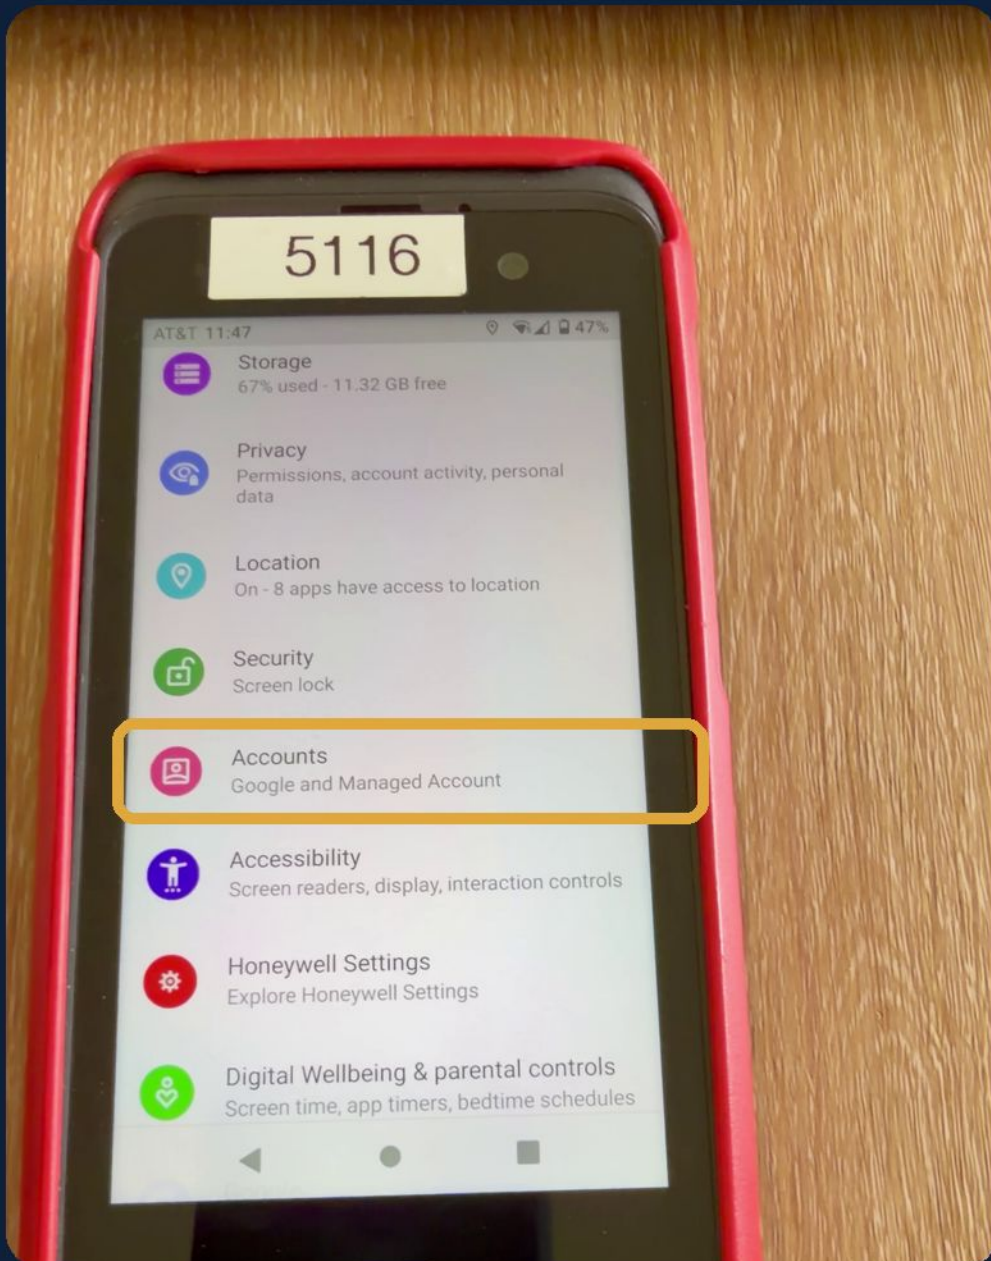

First, add your Google account to the handheld. Open Settings

You only do this once. Android phones already have Quick Share. On iPhone you only need the camera.

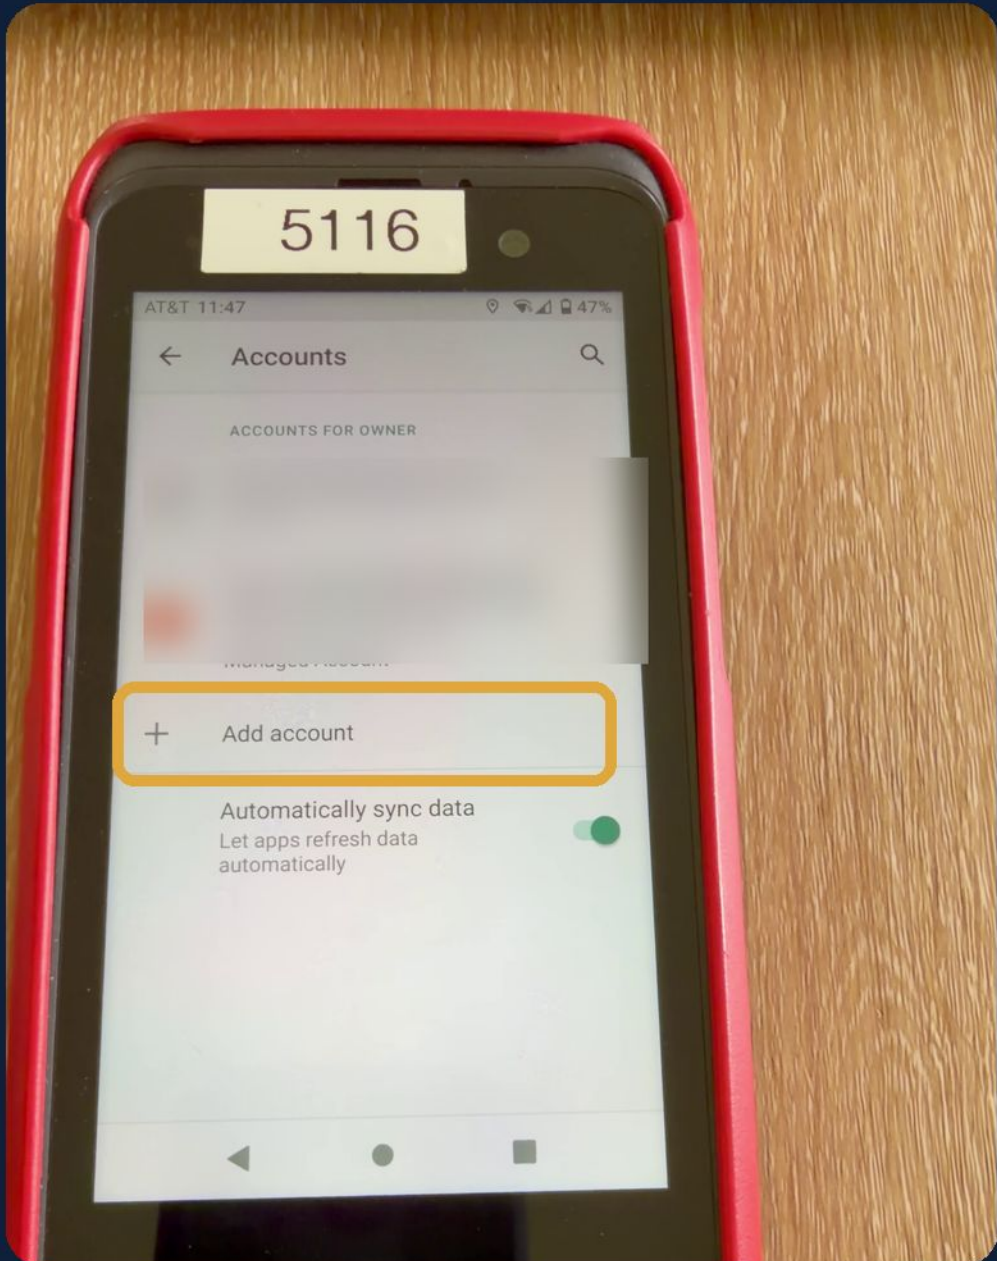

Tap Accounts

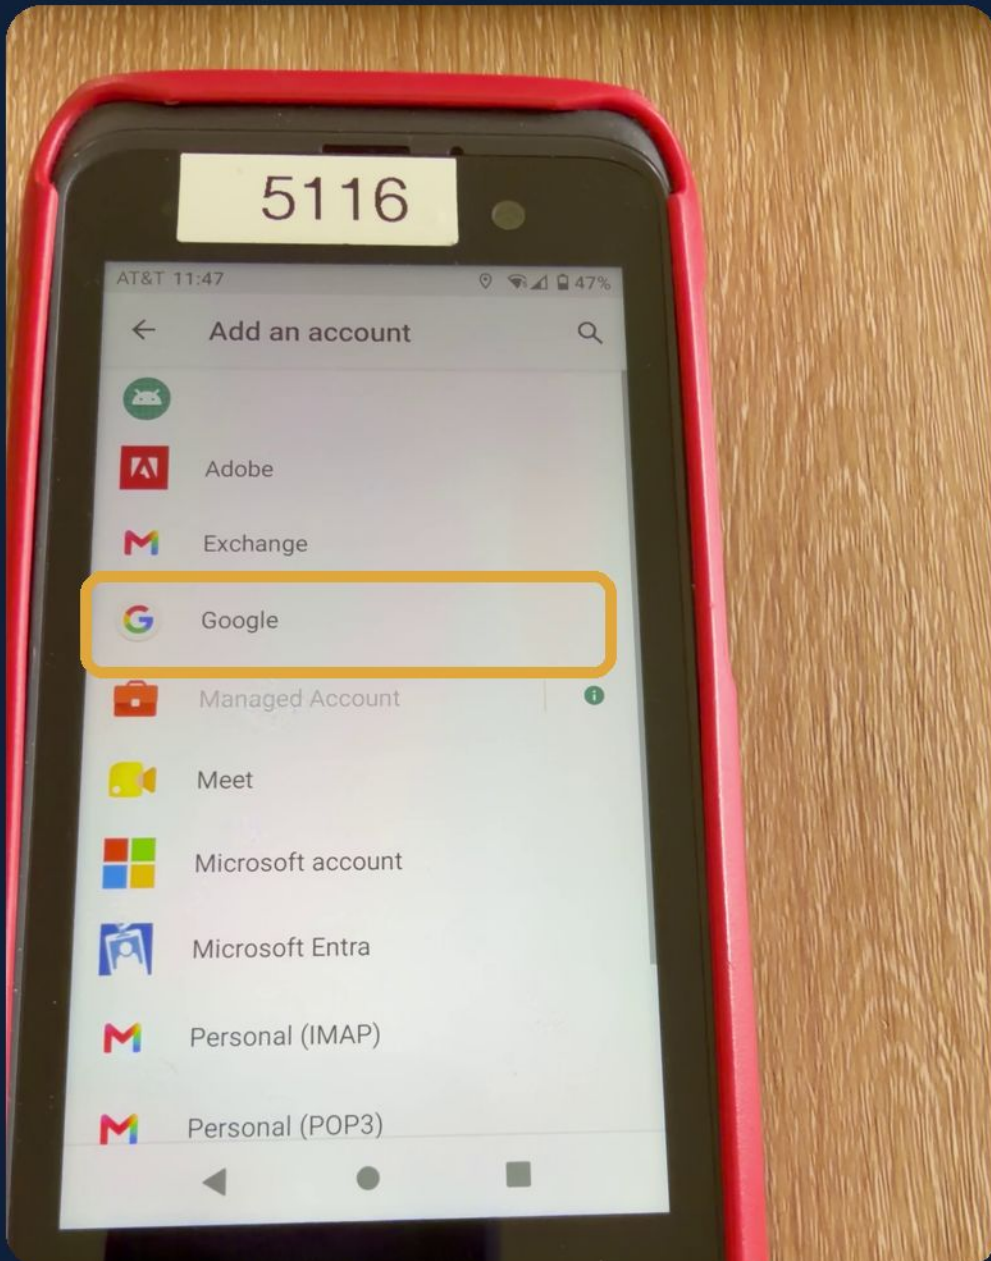

ACCOUNT 3

Tap Add account

ACCOUNT 4

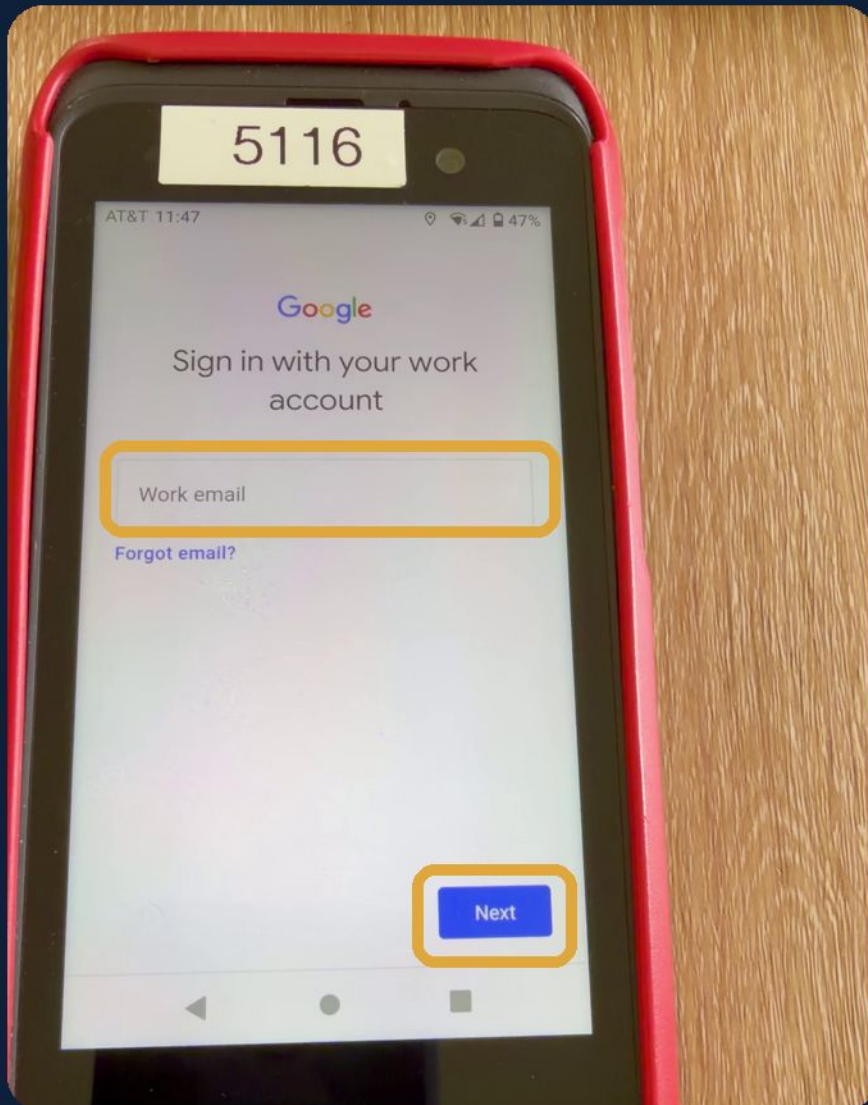

Choose Google

ACCOUNT 5

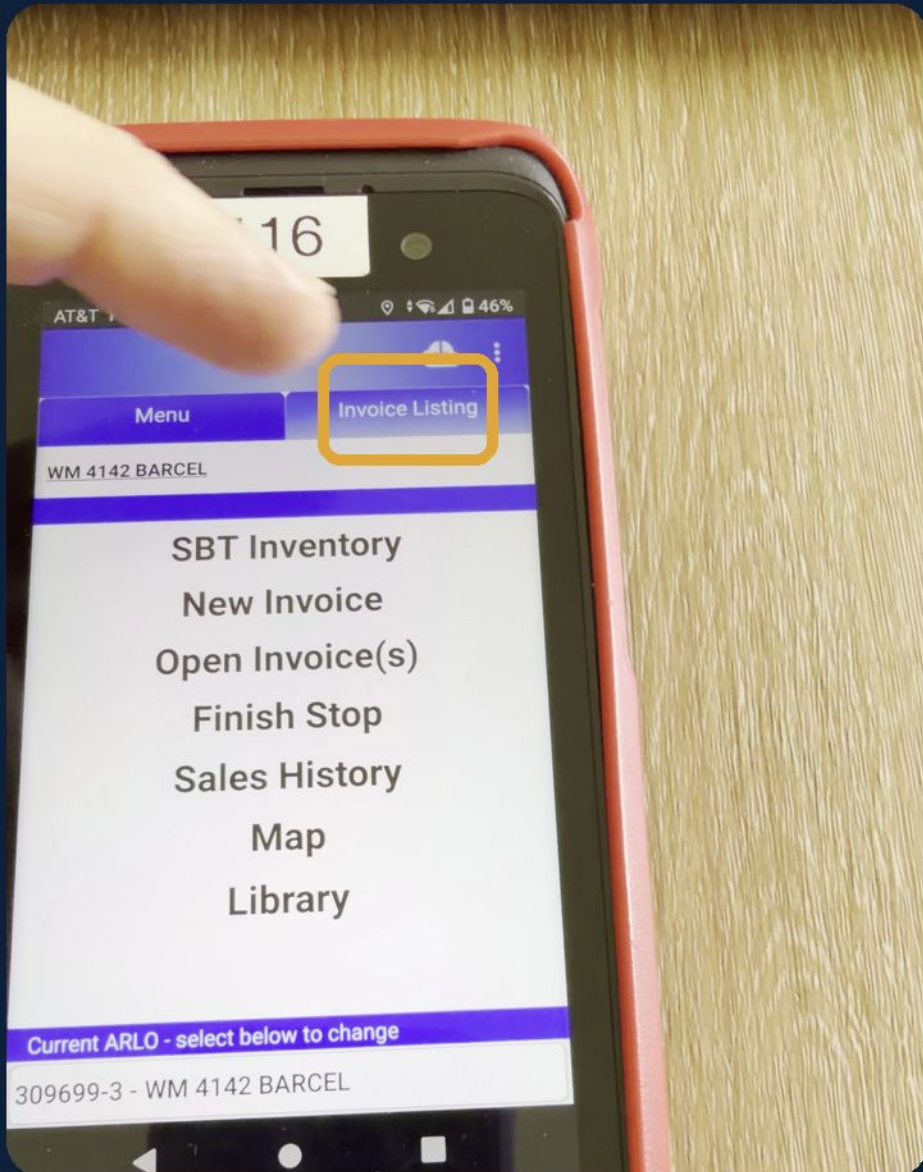

Type your Google email, tap Next and enter your password

Use a Google account you can open on your phone.

STEP 1

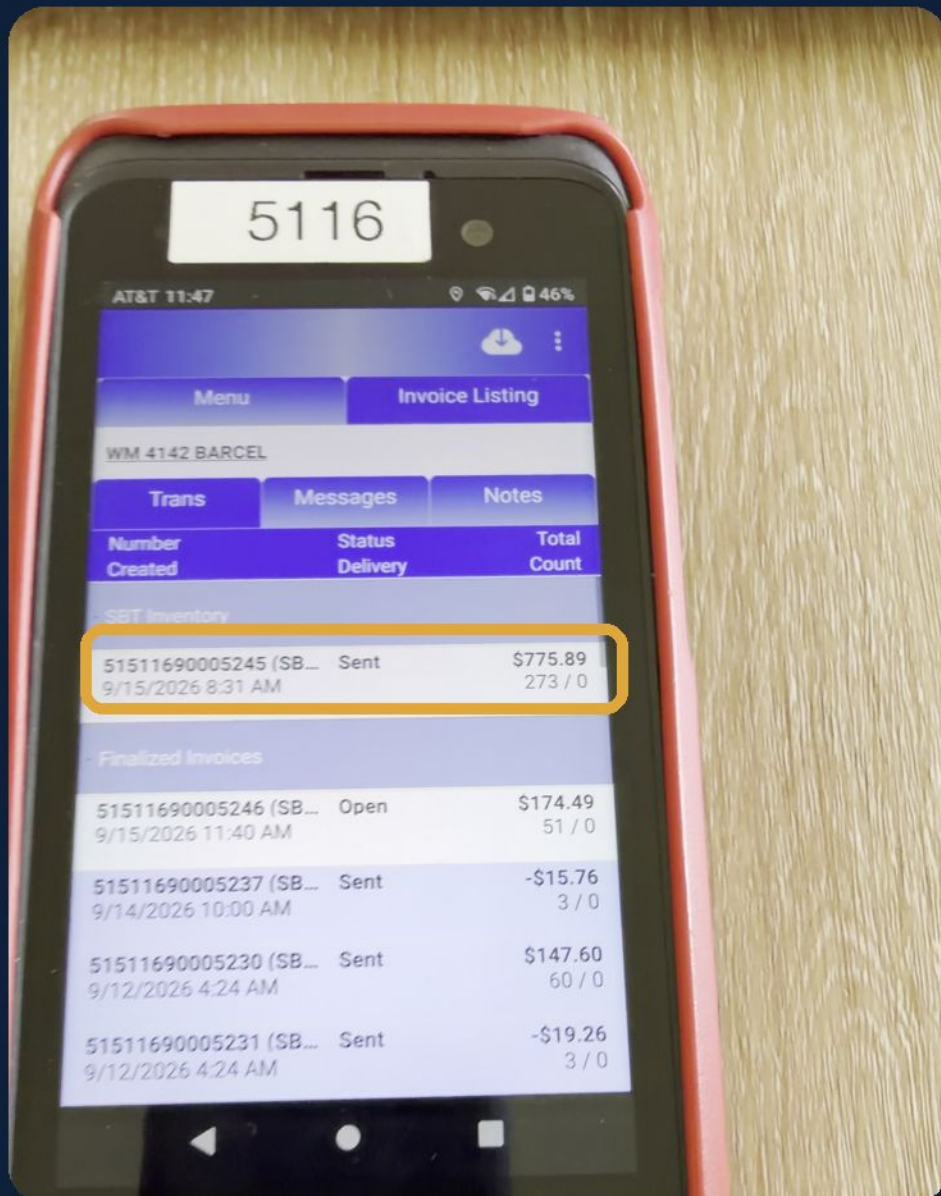

Open the route app and tap Invoice Listing

STEP 2

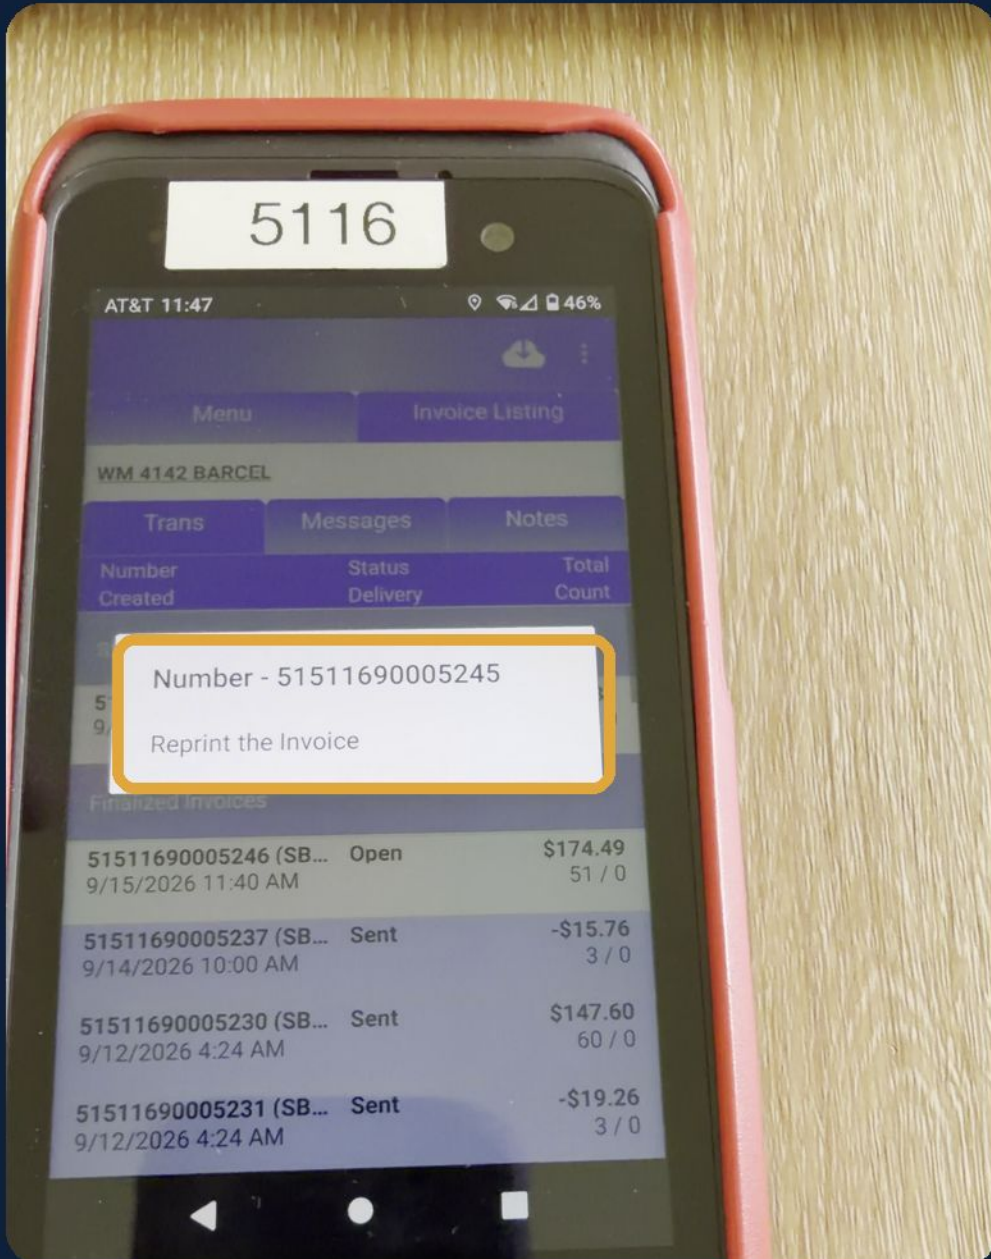

Tap the SBT Inventory invoice

Past counts stay on the list even after the count closes.

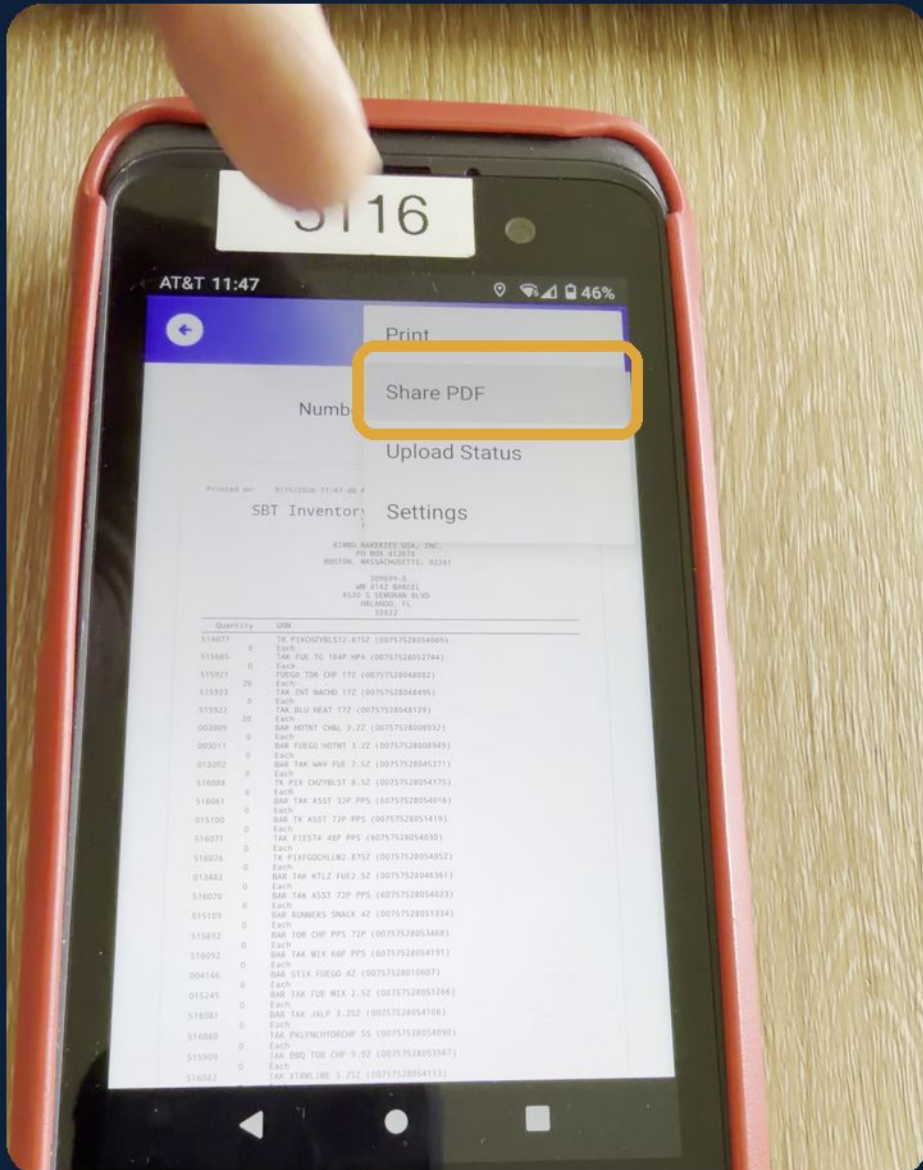

STEP 3

Tap Reprint the invoice

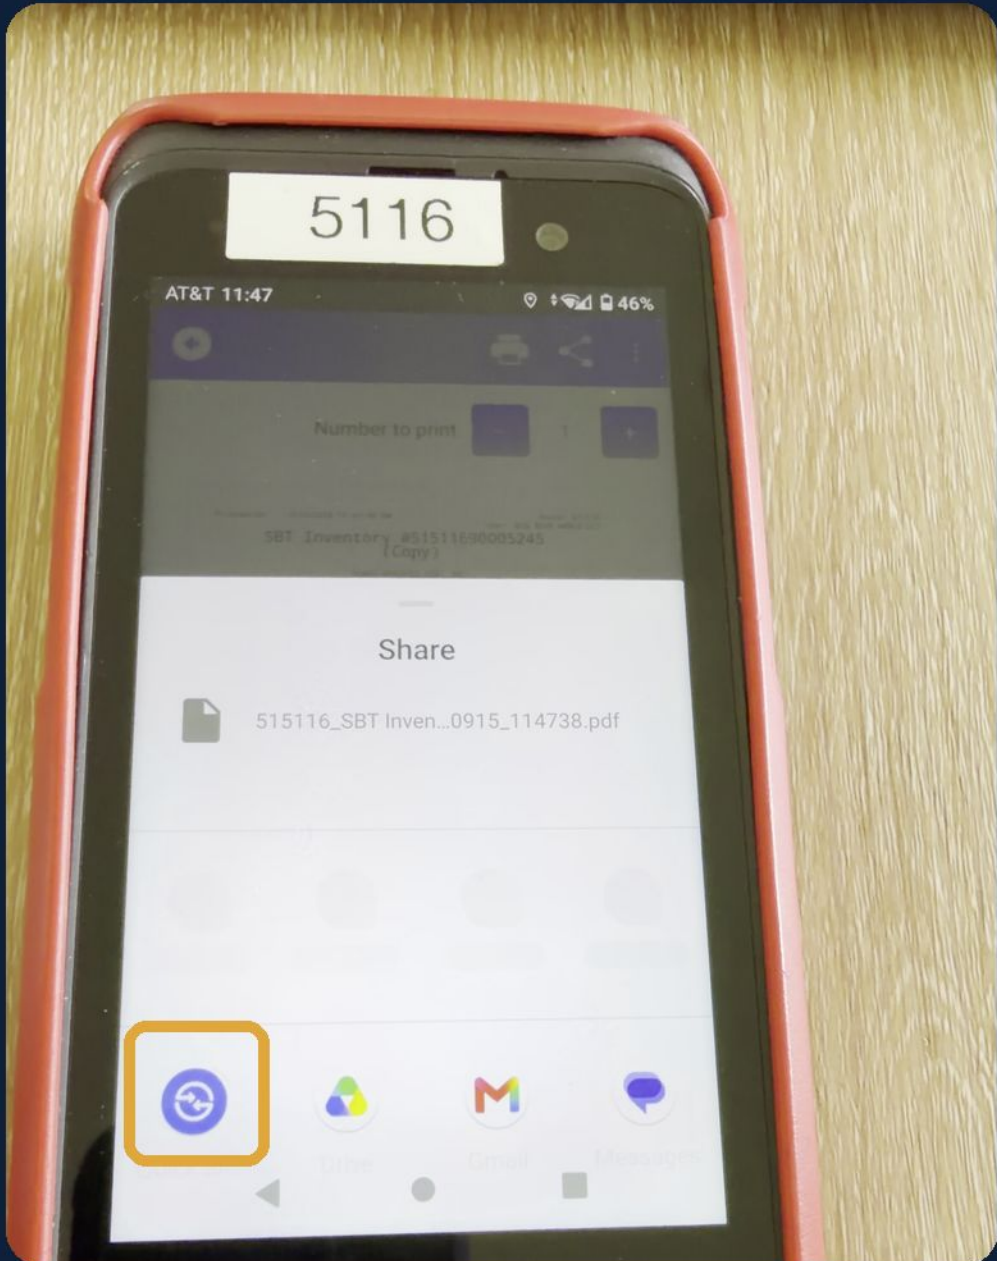

STEP 4

Tap the menu (3 dots), then Share PDF

STEP 5

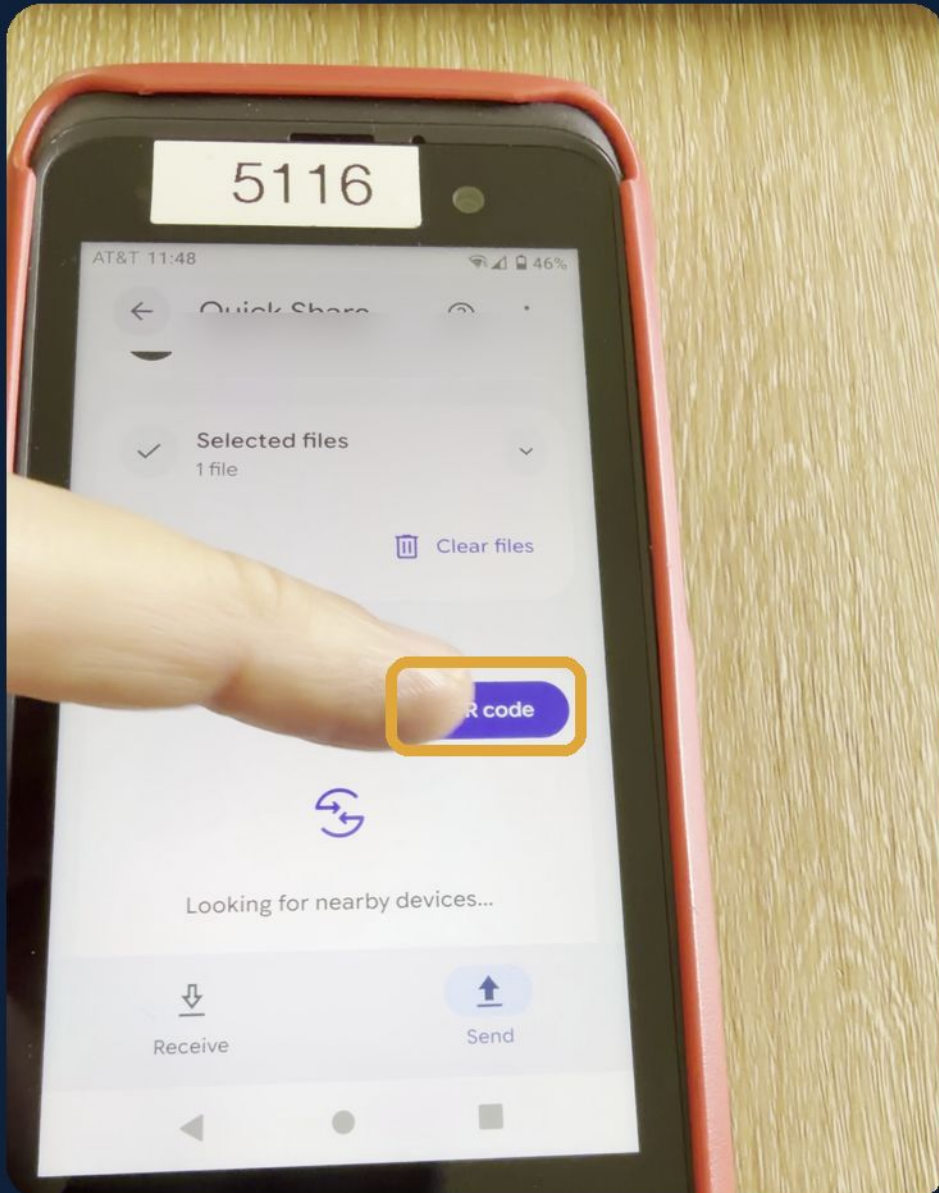

Choose Quick Share

STEP 6

Tap Use QR code

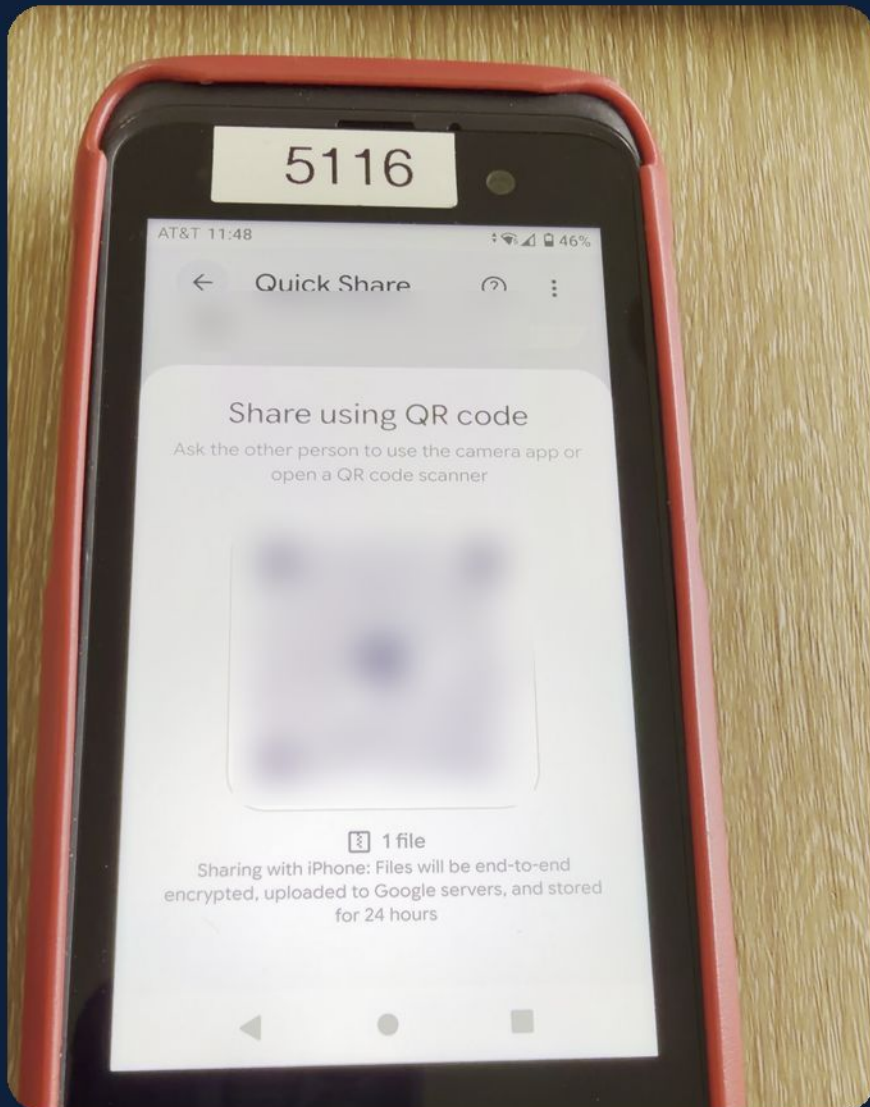

Sending to an Android phone nearby? Just pick it from the list.

STEP 7

Scan the code with your phone camera

The link works for 24 hours.

STEP 8

Tap Download

The PDF is saved on your phone. Now you have your own copy of the count.
